## Same old Spring Break! No WAY!

God invites us to share freely that which we have received freely. This trip provides you with an opportunity to do just that!

As you travel with us to the small farming community of San Quintin in Baja, California you leave far behind the busy border towns and move out to where the relationship have been forged over the years. We will be staying at our sister church, Calvary Chapel pastored by Basie Nunez a U.S. citizen who grew up here in San Juan and has worked with us for 31 years of incident-free ministry partnership. San Quintin is located just 3 hours from the border so it's far enough away to leave the crowd and yet make our mission experience impacting. This strawberry farmland is located close to the coast with a hospital nearby and plenty of cell phone coverage. I will be posting daily updates on our Red Door's Instagram for viewing. We are in constant contact with the church and the surrounding communities regarding the students safety and based on the information provided we believe travel into Baja is still a safe and amazing opportunity for your teen.

**“IF YOU CAN ONLY DO ONE TRIP  
WITH THE RED DOOR,  
THIS IS THE ONE YOU DON'T WANT TO MISS”**

**The total cost of this  
6 day trip is \$185.00**
