

Red Door's 34th Annual Spring Break
Baja Build a Home
MISSION TRIP

Do something **BIG** this Spring Break.

Jesus said, "you'll discover real life when you join Him in what He is doing". On this trip students will have the opportunity to experience that first hand as they build a home for a needy family, love on children living in poverty, and spend time in the word and worship with their peers.

Travel with us over Spring Break to the small farming community of San Quintin in Baja. We will be staying at our sister church, pastored by Nunez a U.S. citizen who grew up here in San Juan and has worked with us for 34 years of safe ministry. San Quintin is located just 3 hours from the border. This strawberry farmland is located close to the coast with a hospital nearby and plenty of cell coverage. Follow our Instagram feed for daily posts of your teen in action. **For more information please visit our Baja registration web page for an informative video.**
