HouseBoat / Beach Trip on Lake Mohave

**JULY 8 - 13, 2018
6 DAYS OF FUN**

**SPONSORED BY CAPO BEACH CHURCH'S
RED DOOR FOR HIGH SCHOOLERS**

ARE YOU NEW TO CAPO BEACH CHURCH OR AN INCOMING FRESHMAN? This is the trip you want to be on, even if you go solo! At all meals we shuffle everyone into different meal circles so you have a chance to meet everyone while on the trip. Also, first time travelers receive the red door red carpet treatment, first rides, first in line to eat and more! In addition to the amazing water sports during the day we end every evening with worship under the stars and a relevant teachings from God's word. Guys and girls have their own 50 Foot houseboats or separated sandy beach for rest. We camp on a sandy beach the 1st and 5th night, so if you don't like bugs bring a small tent to sleep in for the 2 nights on the beach. Please pick up a thick yoga pad or air mat to sleep on, the roof of houseboat is hard (No Cots) Students help keep the cost down by participating in the cooking of meals and the set up and tear down of camp. Temperatures are Palm Springs HOT! No pants or extra clothing needed! Pack light! Everything you need should fit in a school sized gym bag (except or course your sleeping bag and mat) Don't pack anything in a black trash bag or it maybe mistaken as trash on the docks.

MODESTY SWIMWEAR GUIDELINES: Although we view CBC as "in-step" with our culture, we have found that less isn't always better when it comes to swimwear. So to help you view each other as beautiful people and not merely beautiful objects, the students & staff overwhelmingly support the modesty swimwear.

GUY'S SWIMWEAR: Board short that do not ride too low. "No Speedos"

GIRL'S SWIMWEAR: Board shorts or lose fitting running shorts at all times, no bikini bottoms, bikini tops or spandex shorts.
