SAME OLD SPRING BREAK! NO WAY!

God invites us to share freely that which we have so freely received! This trip provides you with an opportunity to do just that!

As you travel with us to the small farming community of San Quintin in Baja, California you leave far behind the border towns. In S.Q. We will be staying at our sister church, pastored by Basie Nunez a U.S. citizen who grew up here in San Juan and has worked with us for 32 years of incident-free ministry. San Quintin is just 3 hours from the border so it's far enough away to make our work experience a unique one. This strawberry farmland is located close to the coast with a hospital nearby and plenty of cell phone coverage. I will be posting daily images of your student(s) on our Red Door Instagram feed.
